RESPONSE TO OFFICE ACTION

Sir:

In response to the Office Action mailed February 12, 2003, please amend the above-identified application as follows:

In the Title:

Please amend the title to read as follows:

A<sup>1</sup> ~~#~~ METHOD AND APPARATUS FOR DISPLAYING CONTENT IN AN ARRAY  
HIERARCHICAL STRUCTURE

In the Specification:

Please amend the paragraph beginning on page 21, line 3 as follows:

A<sup>2</sup> A desired program or desired movie and music distribution service information may also be received from the server 4 instead of a broadcasting station. Assume that the internal control unit 25 receives a command making a request for reception of a content corresponding to a desired music program from the server 4 from the operation control unit 24. In this case, the internal control unit 25 executes a selected routine to supply a command to the communication control unit 22 in order to make a request for reception of the content from the server 4 by way of the network 3. In response to this request, the communication control unit 22 issues a request for the desired music content to the server 4 by way of the network 3. The communication
